Thank you for participating in the Second Shemin 'Build-a-House' Golf Classic. As with last year's event, net proceeds will go directly to the building materials fund for a Habitat for Humanity house to be built in the Housatonic area of Fairfield County.

Last year's outing was a major success and — given Shemin's roots in construction-related industries — it was natural for us again partner with Housatonic Habitat for Humanity. Our goal is to raise funds to help an inadequately sheltered family establish a wholesome place to grow.

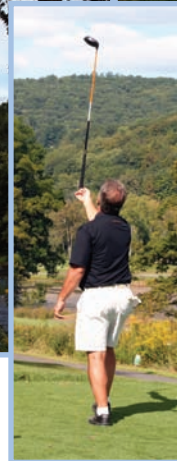

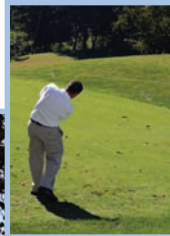

Shemin has been part of the Connecticut landscape for more than fifty years. Based in Danbury, our company supplies landscape material to contractors from Minneapolis to Atlanta to Boston.

It's our pleasure to be your host for this important event.

Thank you,

Steffan R Burns
